Year 6 - the Junior Duke – Platinum Award

Date set: 12th November	Date to be completed by: 3rd December 2026
Welcome to your first Platinum Junior Duke challenge. Your first challenge for this award is 'Domestic Challenge' which you can find on pages 20-21. Use page 20 for your photographic evidence (if you don't have a printer, email photos to the office and they will sent them to me) I look forward to reading your self-reflections following your challenge as you learn these important life skills. Once you have completed the challenge, remember to scan the QR code to be taken to the skills tracker. Then once you have completed the skills tracker, you can colour the badge shape to match what you said on the tracker app. 😊 **Herne Junior school code for the skills tracker - 2PBHG**
