More Sporting Success

Congratulations to both our girl's football teams who did themselves proud at this year's HJS tournament. With teams coming from as far as Portsmouth, Southampton and Andover, the standard of football on display was very high. Our Herne blue team were crowned champions, beating Kings Worthy (Hampshire Cup Winners) in the final after a spirited come back from being 2-0 down at half-time, to finally defeat them in a penalty shoot-out. On Tuesday evening, our Herne Girl's Football team played their final two games in the Havant League and booked their place in the Hampshire Games, representing the whole Havant Area, by winning the league. Well done to all of our girl football players. You've made us very proud!

Herne at Wembley!

Isobel Sales and Amelia Hammond both appeared at the women's FA Cup Final last weekend, making an appearance on BBC TV live last Saturday afternoon! The final was won by Arsenal who beat Chelsea 1-0, winning the trophy for the 14th year in a row!

Photos for Parents? Follow us on Twitter to Download!

There are many times that we now Tweet photos (for example, we Tweeted the pictures of Isobel and Amelia at Wembley last Saturday!) If you follow us on Twitter, you can see these photos AND download them to your phone or other devices for private use. To follow us look for us on @HerneJunior

Rocket Seeds

In a similar vein, you can see the progress of the seeds germinating and growing on our Twitter feed. If any of the children would like to have more of an involvement in the progress of the plants, some of which have been in space with Major Tim Peake, then please see Mrs Armitage (our Science Leader). She will announce times for interested children to come along to her room to see the plants at first hand.

Malawi Farmers Skype Herne Children in Mimosa Class

Mimosa class are delighted to be the first class ever to successfully Skype two Malawian rice farmers. The call provided an amazing insight into Howard Msukwa and Kenneth Mwakasungula's lives and we felt inspired by their stories. We were amazed to discover that they woke as early as 3am in order to work in manageable temperatures and the current lack of rainfall was causing lots of problems for them. Miss Johnson was shocked by the idea of having to teach 130 children in one class!

We can't wait to be able to support this wonderful initiative and provide an education for one Malawian child through our 90kg Rice Challenge BUT we can't do it without you, so please join us on 9th June to purchase your bag of Fairtrade Rice for £3. Thank you.

Safety in the Car Park

We've noticed that sometimes children are crossing in the car park in front of other cars. Could parents and children please use the pedestrian gate and stay on the pavement around the edge of car park? We also politely request that those people who choose to come to the top of Love Lane do not park in front of the gates because this is also hazardous. Thank you.

Parent Governor

We have had some interest from parents who may be interested in becoming a governor at the school. In order to comply to the correct regulations for recruitment, we will be sending a letter to all parents next week giving more details of what is involved and how to apply.

Headlice

Several cases have been reported throughout the school, so please check your child's head and treat if any found. If you'd like any advice on what to do, please contact us for further information. ☺

Year 4 Swimming lessons

Lime and Pear class will start swimming lessons after half-term. Please don't forget you have a swimming lesson on Monday 6th June, the first day back after half term.
