Explain your answer.
- $456 \times 98 =$
- A snail moves 1 metre in 1 hour. How far does it go in 1 minute?
- What are the first 8 Prime numbers?

Keep practising your times tables.

Continue with your Moon Diary...

For your homework this week, we would like you to keep a Moon diary. This will involve looking at the Moon each night and completing the sheet provided. We would you to bring this back in 1 week (19/10/22), however there will be the opportunity to carry on with this if you choose to do so. If you cannot see the Moon, please write 'cloudy' in the space for that day.

SpellingsExtension

We know what excellent spellers you are. Your first challenge this year is to check that you know how to spell all the tricky words the government expect you to know by the end of Year 6. You may have had some of these words last year, but this year we are testing you on them. Here are the next 10.

hindrance
identity
immediate
individual
interfere
interrupt
language
leisure
lightning
marvellous

Optional SPAG question (1 housepoint if completed)

Fill the blank in each sentence with the correct **possessive pronoun**.

What **possessive pronoun** is missing from sentence 3?

- That cake belongs to me. That cake is _____.
- Those bikes are owned by us. Those bikes are _____.
- This coat belongs to my brother. This coat is _____.

Homework is due in on 19th October.
