Maths: Speedy Six

1. Farzia buys a loaf of bread for £1.34, a jar of jam for 85p, a bottle of milk for 49p and a packet of teabags for £2.89. How much change does she get from a £50?
2. 879 x 78 =
3. Find a number between 10 and 20 that is a multiple of 4 **and** a factor of 32.
4. What is the value of 7^3?
5. Write the number shown. XXIV
6. There are 200 people at a football match. 120 are male. What percentage are male?

Keep practising your times tables.

For your homework this week, we would like you to keep a Moon diary. This will involve looking at the Moon each night and completing the sheet provided. We would you to bring this back in 2 weeks (19/10/22), however there will be the opportunity to carry on with this if you choose to do so. If you cannot see the Moon, please write 'cloudy' in the space for that day.

Spellings

Extension

We know what excellent spellers you are. Your first challenge this year is to check that you know how to spell all the tricky words the government expect you to know by the end of Year 6. You may have had some of these words last year, but this year we are testing you on them. Here are the next 10.

excellent
existence
explanation
familiar
foreign
forty
frequently
government
guarantee
harass

Optional SPAG question (1 housepoint if completed)

Explain how the position of the **apostrophe** changes the meaning of the second sentence.

1. What are your brother's favourite toys?
2. What are your brothers' favourite toys?

_____

_____

Reminder: Christmas Card order deadline is Monday 10th October.

Homework is due in on 12th October.
