Keep practising your times tables. This week we will be looking at the 8s.

For your homework this week, we would like you to keep a Moon diary. This will involve looking at the Moon each night and completing the sheet provided. We would you to bring this back in 2 weeks (19/10/22), however there will be the opportunity to carry on with this if you choose to do so. If you cannot see the Moon, please write 'cloudy' in the space for that day.
