4) ? X 23 = 5382
5) What number is represented by these Roman Numerals?   **MDXCIV**
6) What shape is this a **net** of?

Class homework:

Using the link of soldiers from Petersfield's War Memorial Roll of Honour, research a fact file about one of these men. Please present your work neatly and think carefully about the layout, as this will be stuck in to your PDL book. Alternatively you could research a member of your own family from the First World War.
