

Half Term Homework

There is no set homework for the half term break. However, please remember to read daily and continue practising times tables by completing at least **5 Sound Checks** and **Garage practice to improve your heat map** on Times Table Rock Stars (TTRS).

Most importantly, have fun and enjoy spending time with your family. We hope you all have a relaxing and enjoyable break.

We look forward to seeing everyone back, refreshed and ready to learn, on **Monday 23rd February**.

Warm wishes, The Year 4 team.
