

## Year 6 Homework, Summer Term Week 3

Next week will be your time to SHINE and show those SATs Question Makers just how incredibly hard you have worked this year. You should now feel super confident as you have completed lots of practise questions and have made some excellent revision guides too.

Take the time to read through your revision guides for maths, SPAG and spelling, and any past papers that you may have around, just to remind yourself of the terminology and types of questions that you may be asked.

Also take the time to RELAX this weekend, go outside and get some fresh air or have a go at the Relaxation Bingo that Mrs Hepworth has created below.

We wish you the very best of LUCK and are looking forward to seeing you bright-eyed and eager to start on Monday 😊
