literacy	car
literate	
illiterate	
how	
town	
equip	
equipped	

## Your chance to shine

Your homework this week is based around the Young Governor vote. Consequently, you have a choice for your written homework.

1. If you would like to be your class Young Governor:  
You need to write a speech explaining why and what *you* would bring to the classroom and the school.

**OR**

2. If you **do not** wish to be a Young Governor:  
You need to write a paragraph about what your ideal young governor would be like and what you expect them to do for your school. (Think about their responsibilities in the classroom and the school community/environment).

\*\*\*

### OPTIONAL EXTRAS

If you wish to run for **House Captain**, then this is your opportunity to write your speech. Please ensure you have specific, interesting and practical ideas that will make your speech stand out from the crowd. The speeches will take place in September in front of your year 6 peers. Please do not bring in stickers, etc. - your voice is what is important!

This year we are also have additional roles for our year sixes...**Reading Ambassadors!** After a successful run last year, we are offering the chance for you to become a Reading Ambassador. Your role will include listening to year 3 children read in the morning, helping in the library one lunchtime a week and promoting a love of books amongst your peers. If you are interested, please complete a short letter to Mrs Tigwell why you would make a suitable candidate.
