

Year 6 Homework, Spring Term Week 7

Maths: Super Six

- 1) What is the difference between 178 and 401.
- 2) Five cakes cost £2.50. How much do seven cakes cost?
- 3) Work out the volume of a cube of edge 4m?
- 4) What is the fraction $\frac{15}{20}$ in its simplest form?
- 5) Calculate the perimeter of a circle with diameter of 10cm
- 5) Which is bigger: 0.125 or 0.15?

- 1) If $x = 2$, calculate the value of:

$$x^2 - x$$

- 2) When h has the value 4, calculate

$$16 - 3h$$

- 3) Work out: $\frac{3}{5}$ of 7kg

- 4) Work out the area of a triangle of base 12m and height 2.4m.

- 5) Find the n th term of this sequence

3 8 13 18 23 ...

- 6) I used 8bags of sand for 12m², how much will I need for 15m²?

Research project: this information will be used to inform their writing over the next term

You can present what you find out in any way you like but there are a few key facts that you will need to ensure you find the answers to!

- 1) Find out about the timeline of the life of the Titanic – for instance - the date she set sail, where from, when she first got into difficulty, the time she sank.
- 2) Find out 5 interesting facts about the building of the Titanic. How long was she? What was her top speed? How many decks did she have? etc.
- 3) Find out about some of the facilities that she had on board. See if you can find out some of the differences between the different classes.
- 4) **Research one passenger who was on board.** Make sure you know: their name; which class their ticket was; whether or not they survived and anything else you can about them. (This should not be a crew member.)
- 5) Watch what you can about it but make sure you have checked this with your parents / carers as some of the films are very sad and may contain images that are upsetting. This was a tragedy with a large loss of life so it is a serious topic.

Spellings

<u>Support</u>	<u>Core</u>	<u>Extension</u>
creation	hydration	Elastic
education	dehydration	Economic
variation	discos	Fantastic
correction	pianos	Domestic
terrific	handful	Gigantic
comic	mouthful	Frantic

	occupy	expression list
	occur	(click on this link).

Maths Extension:

One bonus house point available

$$15 \times 100 = \boxed{}$$

$$\boxed{} \times 10 = 1500$$

$$\boxed{} \div 100 = 150$$

$$150 \div 10 = \boxed{}$$
