<p style="text-align: center;">Afternoon Research and Independent Project Time</p>	<p>Our current theme in Year 5 is 'Living with the power of Mother Nature'. For your independent project this week, we would like you to find out as much information as you can about a famous volcano and turn your learning into a beautifully presented information page.</p> <p>We would, of course, like your information page to include details about any of your volcano's most famous eruptions. However, there are some other key facts we would like you to tell us if possible, such as...</p> <ul style="list-style-type: none"> • Geographical location • Volcano size • Nearby communities • Local wildlife and landscape • Any important dates <div style="display: flex; justify-content: space-around; align-items: center;">   </div> <p>You could use books, magazines or the internet to gather your notes. Your information page should be bright, bold and beautifully presented, and it should be no larger than A3 in size. Please try to include lots of technical vocabulary.</p>
