## Scott Heffield – Our Local Adventurer!

We were absolutely delighted to welcome Scott Heffield to our school last Friday. Scott works on TV alongside Bear Grylls as his right hand man and has even saved Dame Kelly Holmes from drowning on one of the TV series. The picture is of Mr Jones eating live mealworm which is part of being a survivor in the wild. Miss Edmondson declined the invitation to have a taste!

The theme of the day was that being sporty can include alternative activities that keep you fit and healthy, like dancing, hill walking, kayaking, climbing etc. Thank you so much for all of your donations on the day! We have posted some more about this fun assembly on our new Facebook Page. 😊

## Avon Tyrrell & Colmore Trips – Year 5 Return!

We are delighted to announce that our Year 5 team and Mrs Lumbard in our office have managed to find a way of making the Year 5 trips go ahead next term. They had to be abandoned due to 'The Beast from the East' snowfall, but thanks to local schools and many staff volunteers, we managed to source enough minibuses to keep costs down. Herne governors were keen to make sure parents were not left too 'out of pocket' and have committed some of our school budget to subsidise these re-instated trips. An updated kit list for the minibuses for Avon Tyrrell are on our website. See the link on the homepage of our website below:

<https://www.hernejunior.com/news/?pid=5&nid=1&storyid=1>

## SATS Evening

If you missed yesterday's Year 6 SATs information evening, the presentation can be found on our website. Any parents from other year groups can take a look at what is in store for our current Y6, so this may be of interest to Y5 parents too? Here is the link:

[www.hernejunior.com/news/?pid=3&nid=2&storyid=1070](https://www.hernejunior.com/news/?pid=3&nid=2&storyid=1070)

## Education City

Don't forget we have this wonderful resource available, for you and your child, to access on any device with an internet connection. Activities that are tablet friendly are indicated by a blue tablet symbol on the bottom left hand side. Website address is: <https://ec1.educationcity.com/>

## Running Relay

Well done to our relay runners, who took part in a 1km relay race at Fair Oak Junior School. The lower school boys ran an amazing race, with Harry Timmons sprinting to the finish line, snatching 4<sup>th</sup> position. The upper school girls came 5<sup>th</sup>, with an amazing run by Hattie Bond who overtook 9 other runners in her last leg. All children ran a great race, showing determination, enjoyment and sportsmanship. A special mention must go to Esme Ostensen who ran her leg of the race holding both the baton and her shoe – she lost it a quarter of the way into the race due to the sticky mud, but it didn't stop her giving it her best. Well done to everyone, and thank you! 😊

## Monday After-School "Well – Fit" Fitness Club

As a new venture and a joint enterprise, Magdalena Andrews, one of our parents and part of our lunchtime team would like to run a new fitness club which will be open to parents and children. Siblings from Petersfield Infants or other local primary schools can come along too, as long as they are school age. The cost is £3 per child if they come on their own or £5 for a parent, which includes free child places up to 2 children per parent. This will take place on Mondays, 3.30 – 4.30.

There will also be adult only (18 years+) sessions on Mondays from 7.00 – 8.00 which will be £5 per person. We will post more details via Facebook and Twitter, but to get more information and express an interest, **please phone Magdalena on 07719 999023**. All classes will be in the school hall or using equipment outside in better weather. We intend to start from Monday April 23<sup>rd</sup>.

## Commonwealth Games

We are extremely proud that one of our ex-pupils is representing England in the forthcoming Commonwealth Games in Australia. Joe Truman left Herne 10 years ago, going onto TPS and then Alton College. Joe is in the Sprint Cycling Team and has recently represented Great Britain at the World Championships in Germany winning a silver medal alongside Jason Kenny. The Games will be covered by the BBC so we are hoping to catch some of the action and support him. Good Luck Joe.

## Site Manager VACANCY at Herne

We have a vacancy for a new site manager at Herne. Please see Twitter and Facebook and our website for more details. The deadline for applications is 11<sup>th</sup> May, so plenty of time after Easter to contact us directly for more details too! 😊

### The Big Pedal

Sustrans Big Pedal is the UK's largest inter-school cycling and scooting challenge inspiring pupils, staff and parents to choose two wheels for their journey to school. As part of our ongoing commitment to reduce traffic on our school roads, we would love to invite you all to take part on Monday 23<sup>rd</sup> April to Friday 27<sup>th</sup> April.

### Class & Leavers Photos

The proofs for the class and leavers photos have been sent home this week. Please note the closing date for orders is the 24<sup>th</sup> April 2018. There is now the option to order online as well returning the order to school. Info on how to do this is shown on the proof.

### New School Menus

The new school lunch menus have been sent home this week. The jacket potato has now stopped and replaced with the Cold Picnic Menu. The Year 6 additional option menu will remain the same. All menus will be available on our website.

## Community Messages

### Youth Cricket

Petersfield Cricket Club is a club that is at the heart of the Petersfield Community. We currently have spaces for children (boys and girls) for our summer training programme that starts after the Easter Holidays. We are particularly keen to encourage younger children to get involved in the club so that they have the opportunity to progress through the club to one of our four adult teams (3 men's teams and 1 women's team).

For boys: If your child is in Year 3 and 4 they would be welcome at our Under 9 training and if in Years 5 and 6 they would welcome at our under 11 team. Both the boys groups train on a Friday evening starting at 6pm and 6:15pm respectively. Our girls (all ages under 11) train on a Monday evening from 6:30pm. We also have other age groups and welcome men and women to the club too.

For further information please contact Paddy May – [themays@ntlworld.com](mailto:themays@ntlworld.com)

### Royal Marsden Cancer Charity

Luke and Joe Tully (Damson and Ash) will be having a stall at the Easter Market this Saturday at the Festival Hall. They will be raising funds for the Royal Marsden Cancer Charity in London. The Easter Market will be open between 9.30am-3pm. Please come and support them. Their current fundraising total stands at just over £1,300.
