ECO WEEK – ‘POWER AGAINST PLASTIC’

It has been a very inspiring week at Herne, with the whole school looking at ways that individually, as well as a school, we can help with reducing single use plastic. The staff have been so impressed how passionately the children have approached this challenge and the wonderful array of ideas that have been discussed. Each child has decided on a single pledge to help the world's plastic problem and as a school we will be releasing our pledge in the coming weeks. Together – as a whole school community – we can really start making positive steps to help this global issue.

Bikeability

The school have been in negotiations with Hampshire's Bikeability team to provide us with enough coaches to train a year group in their cycling proficiency qualifications. Sadly, due to their own budget issues, they have been unable to do this, so currently, we are unable to offer this training to our children. There is a private provider through the Pedal Power Training that has been recommended to us through one of our Year 6 parents. Her name is Renee Diwell and she can do sessions for individuals or groups up to 6 – at reasonable rates. If you are interested, her contact info is: reneediwell@hotmail.com. We fully appreciate how important it is for children to have this training on how to cycle safely on the roads and we are hoping that we can find a long term solution, so we can again offer this training to the children.

Milk Bottle Top Collection Point

Rather than throwing away the plastic tops of your milk bottle containers, you can now bring them into Palm class, who are collecting them. Please can they be clean and sadly only the milk bottle tops (not other tops from different plastic containers). The plastic tops are being sent down to a company in Portsmouth who turn them into new plastic items. Fantastic!

End of Day and Collection Arrangements

Please may we remind parents, who are collecting after school, not to go onto the playground whilst the children are still in the middle of PE lessons. We thank you for your support with this. Please also make sure your child is aware of going home arrangements before they come to school in the morning. In an emergency we can get a message to the classes if things change, but cannot always guarantee this if a message comes in close to 3.30. Thank you.

Class Photo's and Year 6 Leavers Photo's.

Please Note that the closing date for orders is **TUESDAY 2ND APRIL, just before end of term.**

NO BRASS MUSIC LESSONS OR ORCHESTRA NEXT THURSDAY 4TH APRIL – DUE TO HAMPSHIRE MUSIC SERVICE TRAINING DAY.

Twilight Club

A reminder that Twilight Club will not be running next Friday 5th April, as we finish at 12.30pm.

Lost Property

There are lots of cardigans and jumpers in lost property – please come and have a look. If unnamed items are not claimed, these items will be recycled after the Easter holiday.

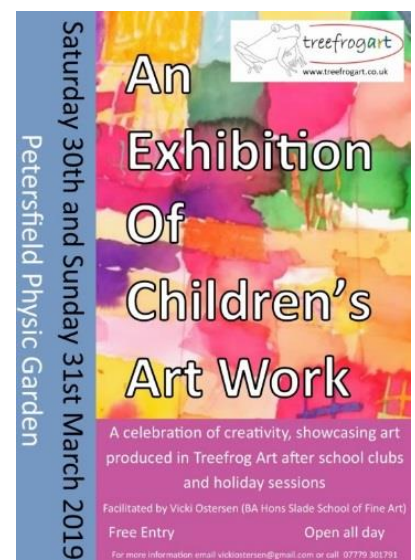

Easter Activities with CM Sports at Herne (8th April – 12th April)

We are pleased to offer some Easter holiday activities through our new Sports Company CM Sports who help to cover PPA throughout the school every week. The courses, which are based at Herne, can booked from 8am through to 6pm which will help families who are working during the holiday period (ages 5-14). Childcare vouchers can be accepted too. More information about these courses can be found on our website on this link:

<https://www.hernejunior.com/attachments/download.asp?file=319&type=pdf>. To book phone 02392 987 881 or go to www.cm-sports.co.uk.

Easter Art Sessions for Children

Mrs Ostensen (who runs our art club in school) is running some specialist art classes for children over 6 throughout the Easter Holiday at the Physic Garden. For more information, please visit her website at: <https://treefrogart.co.uk/courses/>.
