

10. How will my child be included in activities outside the classroom including school trips?

All children are included and embrace the school curriculum and we aim to involve all children in visits made to our school by visitors or those places our school visits. A risk assessment is carried out prior to children leaving the school premises to ensure everyone's health and safety. In the unlikely event that it is deemed unsafe for a child to go on a trip, an alternative activity will be arranged for that child.
