

Year 5 Knowledge Organiser

DT Summer Term
Greek Textile Applique

What I should already know.

- Understand seam allowance.
- Join fabrics using running stitch, over sewing, back stitch and cross stitch.
- Explore fastening and recreate some e.g. sew on buttons and make loops.
- Prototype a product using J cloths.
- Use appropriate decoration techniques e.g. applique (glued or simple stitches).
- Create simple pattern.

Textiles

What will I know by the end of the unit?

To research Ancient Greek mythological creatures as part of the Year 5 theme work.

To use pattern pieces to create an effective layout.

To be able to join layers of fabric securely using over-sewing and back stitch techniques.

To investigate, design and make a multi-textured textile product combining various decorative materials.

Vocabulary

Mythological

Combined textiles

Medusa

Cotton thread

Cyclops

Felt discs

Minotaur

Hessian

Hydra

Netting

Pegasus

Applique

Wooden horse of Troy

Different textures

Stitching techniques

Effective / effectively

Key Knowledge

Generate innovative ideas by carrying out research into Ancient Greek myths.

Use found information to inform decisions.

Develop, model and communicate ideas through talking, drawing and templates.

Develop one idea in depth.

Pin and tack fabric pieces together, and decorate textiles appropriately often before joining components.

Join fabrics using over sewing and back stitch.

Justify their decisions about materials and methods of construction.

Make a 3-D textile product that is made from a combination of pattern pieces, fabric shapes and different fabrics, accurately assembled and well finished.

Compare the final product to the original design specification.

Consider the views of others to improve their work.

Outcome

Investigate!

Research Ancient Greek mythological creatures as part of the Year 5 theme work and use pattern pieces, combining various materials to create a multi-textured textile product.
