6. What is the name of this shape?

1. Which number is closer to 2?
2.05, 1.97, 1.9696, 2.043
2. What is 4.675 divided by 1000?
3. What is 0.6×0.8 ? (How can you use the answer to 6×8 to work this out?)
4. What is $\frac{3}{8}$ of 104?
5. What is 20% of 900? (remember work out 10% first)
6. What is the name of this shape?

For RE next week you will need to bring in an item to show what you 'belong' to. This could be a photo of you and your family, an item of clothing from a club, a trophy or badge, something you use at a club, a school photo etc.

Cedar – Tuesday

Beech and Maple – Thursday

Rowan have already done this.

Please see the separate sheet for more detail on your Famous Volcano research.
