Suffragettes

To help support our learning in school, we would like you to research Emmeline Pankhurst who was one of the main suffragists. We would like you to focus on three sections: early life, her contribution to the suffrage movement and her legacy. It is important that you collect as much information as you can about these 3 aspects as we will be using them in our writing in our English Lessons. Some of the information you research might be quite sensitive so it might be a good idea to look at it with a grown up. Record your research on the sheet.
