

Awful Egyptians Homework Task!

The Ancient Egyptian are famous for many amazing and important things. However something they are especially well known for is their fascinating religious beliefs and their **GORY**, **GRIZZLY** and downright **GRUESOME** burial practices!

Your task is to find out as much as you can about their religious beliefs and practices, including **MUMIFICATION!**

We want you to research:

- The important Egyptian gods and goddesses.
 - What their roles were.
- What they believed happened when someone died.
 - Mummification!
- Anything else you discover that is interesting.

You can use books, magazines, the internet or maybe even TV documentaries to gather your information (Just check with your grown up at home that they are happy with the content!).

We want the information you discover to be easy to read and to be put on display in the classroom. Please **DON'T** stick it into your Homework book.

You could choose to present your work as:

- A poster/info page
- Instructions for how to make a mummy
- You could even have a go at making your own Egyptian tomb like these here:

Remember to include information about all the things we have asked you to find out. Have fun! We can't wait to see what you discover!

Due 1st December
