3. What is $\frac{4}{7}$ of 35?
4. Round 7 565 to the nearest 1000.
5. $\frac{3}{4} + \frac{3}{4} =$
6. What is 10% (same as dividing by 10) of 180?

1. What is 5.67 divided by 1000?
2. What is $\frac{25}{100}$ in its lowest form?
3. What is $\frac{7}{12}$ of 480?
4. $\frac{4}{7} + \frac{2}{5} =$
5. What is 30% of 520?
6. What are the names of these 3D shapes?

Quick Comprehension: Complete the sheet 'The Life Cycle of a Flower'. Children should allow themselves one minute to read the text, and five/ten minutes to answer the questions. Some of the questions are quite tricky, so don't worry if you have to talk them through with an adult.

Spellings

<u>Core</u>	<u>Support</u>
deciding	thought
decided	through
undecided	hear
biology	wear
ecology	sight
chronology	night
sense	right
sensory	can't
guarantee	didn't
committee	answer

Research Task

Later this term you will begin to learn about the Suffrage movement. We would like you to research Emmeline Pankhurst who was one of the main suffragettes.

You need to focus on 3 sections: early life, her contribution to the suffrage movement and her legacy. You will need enough detail to use this work in your English lessons.

Please **don't** stick the sheet into your Homework Book as we will be using it in class.

This is a 2 week task and is due on 7th May
