

## Year 5 Homework, Autumn Term Week 2

### Maths: Speedy Six

1.  $232 + 45$
2.  $665 + 67$
3.  $633 - 111$
4.  $4 \times 5$
5.  $3 \times 6$
6. What is the value of the underlined digit? 732

If you would like to be your class Young Governor for the School Council:

You need to write a speech explaining why and what *you* would bring to the classroom and the school, ready to present to the class.

This will need to be completed by Wednesday 21<sup>st</sup> September and kept in school for when we vote for a new Young Governor.

Please complete this on paper.

Just a reminder, if your child would like to have their own copy of Cosmic we are about to begin. It's not too late.

### Times Tables

This week we are continuing with our times table booklets and focussing on the 4s. Remember that you have access to TT Rock Stars to help you practise!

### Space Homework Project

We would like you to produce an informative guide to our solar system. This can include lots of general information, but we would like you to focus on one major planet in detail. You could choose to present this as: -

- A poster.
- An information guide.
- A leaflet.
- Or use your imagination!

Please bear in mind it needs to be able to fit into your theme book so **no larger than A3** which can be folded.

If you need any help, please ask your teacher well in advance of the deadline.

This project will need to be in on **21<sup>st</sup> September**.

Homework is due in on 21<sup>st</sup> September.
