Class Homework – Finish your Maya theme homework,

The legacy of the Mayan people, Mayan star-gazing and astronomy, The Mayan number system or Mayan punishments and the law.

Your research should be **beautifully presented** in the form of your choice (for example a poster, an encyclopaedia page, an informative object, a model etc.). **Don't** stick this into your homework book. This project (or a photo of it) will be put into your theme book, so this needs to be your very best work. This will be due in **on the 27th February** (the Friday after half-term) but you can bring it in earlier if you wish.
