Today is National Kindness Day, so if you haven't done so already, please do something kind for someone this weekend. It's what the heroes would do! 😊

Each class had to select their own Harmony Hero who had made an extraordinary effort this week and the winners were:

Year 3	Year 4	Year 5	Year 6
Artie Carter	Sam Clay	Ella Clarke	Grace Greenaway
Lilly Bentley	Vivienne Inston	Lea Mehers	Julia Nicholls
William Coleman	Mae Jolly	Sam Sturgess	Shannon Cater
Molly Bishop	Cooper Morge	Pancho Leiva	Katarina Jooste

Each of our class heroes had a special introduction in our assembly this morning and collected a gold wrist band from the Gold Hero. Well done to all of them and keep showing us the way to live in HARMONY.

The Staff Harmony Hero, voted by all of the staff, was Mrs Charlotte Minton, who joined the school less than a year ago as our computer technician. The staff mentioned many lovely things about each other. Mrs Minton's biggest attribute is the positive way she goes about helping us all with our computers when they 'let us down'. Well done to all of our winners!

FOOTBALL SUCCESS!

Another victory for our fantastic girl's football team! They fought their way through their Semi-final in the Hampshire Cup against Castle Primary (Portchester), and were rewarded with the final score of 2-1. Our girls worked hard to make us proud and will now be competing in the finals. We kicked off the game with an amazing goal by Honey, and continued to fight for the title. The other team scored an epic goal to the top right corner, the tension was overwhelming. We stole the game with a final goal by Honey again, just before the last whistle! We would like to say a BIG thank you to all the parents that cheered us on. We are grateful for your help! Well done to Castle Primary- this was the hardest game we have played all year! ...And a massive thank you to Mrs Butcher,

Mr Castle and Mr Jones for helping us with our success!!!

Reminders, Notices & Community

There will not be Brass or Orchestra lessons next Thursday, 6th April.
Class Photos and Y6 Leavers photos deadline is fast approaching. Please get orders in to the school office by Tuesday 4th April. **The school will close at 12.30pm next Friday for the Easter holidays.**

Gas Mains Works

Please be aware that Gas Mains replacement work will be starting in Love Lane Week commencing either 10th or 19th April. This will last for approximately 9 weeks and will cause disruption to access and parking in Love Lane.

Fairtrade Rice Sale

Last year Herne managed to sell a whopping 120 bags of fairtrade, Malawian Rice as part of the '90kg Rice Challenge'. This was an incredible achievement – thank you so much to everyone who supported us. The money raised from ninety bags of rice is enough to send a Malawian farmer's child to school for a year! So we are requesting your help again this year to sell another 60 bags, which with your help, we are determined to sell.. If we achieve this, it will mean we have raised enough money to send a Malawian farmer's child to school for two years! Please join Miss Johnson on the middle playground next Friday from 12.30 on the 7th of April to purchase a £3 bag of delicious (and it really is) Kilombre Rice; a small price for a wonderful cause.

FOH Meeting

The next Friends of Herne meeting will be on 26th April at 7.30pm at the Townhouse. The main focus of the evening will be the Summer Fayre and it would be fantastic to see as many parents as possible. You don't have to join a committee. Just be prepared to help as much or as little as you can afford the time to do. We are raising funds to re-paint all of the playgrounds and install an outside tennis table.

Disco Next Wednesday

If your child brings a phone, can they please keep this switched off and put somewhere safe as they are not allowed to take photos or videos during the disco. Any phones brought into school will be your child's responsibility, as we won't have the people available to look after lots of phones. Thank you for your understanding.

Helping Your Child With Spellings

Why not invest in a set of plastic magnetic letters that are available at many discount, toy, and variety stores. Let your child spell the word by successively placing the magnetic letters on the magnetic board. You can show him the word, then remove it. Have him name each letter as he locates it and places it on the board. This is good for developing the correct order for letters within the words.

Spellings for Years 5 & 6

We have published the Year 5 & 6 spelling list which is available to download from our website. Any children in any year group are invited to learn these too! ☺ Here we have **the last spellings** from R to Y.

- recognise recommend relevant restaurant rhyme rhythm sacrifice secretary shoulder
signature sincere(ly) soldier stomach sufficient suggest symbol system temperature
thorough twelfth variety vegetable vehicle yacht

Parallel is an odd word. It's easy to put the "ll" at the end. It might look better there, but that's not where it goes. To remember where those double lines go, try to visualise this: The parallel train tracks only run through the middle of the town.
