FUN RUN

Arty & his mum
having fun running

Fin & Joel playing
table tennis

Well done to all of our children at Herne and all of the children in Year 2 at Petersfield Infant School who took part in today's Fun Run. They all completed their laps over 15 minutes with several staff and parents joining in with the fun. As well as great exercise (including a competitive edge), the money raised will help us to achieve improvements and further developments to our outdoor spaces. The School Council are keen to extend the outdoor gym and just this week, we've installed an outdoor table tennis table. This is Fin and Joel from Fir Class having fun. Thank you so much for sponsoring the children. We would like to collect all of the sponsorship money as soon as possible, so please start sending it in from next week and thank you for your support!

Scooter Challenge

We realise that we have had Walk to School Week and Bike to School Week very recently, but with all of the focus on keeping healthy to tackle child obesity and the issues with traffic, we make no apology for promoting the idea of coming to school in different ways. Next week is the Scooter Challenge, which is something we can do in competition with other Hampshire schools.

When the children complete a journey, we record this and if our school collects the most journeys, we will win a ScooterPod which will increase our facilities for safely storing scooters here at Herne.

We know some parents and carers come to school with their children on their scooters and then they take the scooters home, returning with them at the end of the day. We do appreciate that locking scooters is more of a challenge than locking bikes. If you have any ideas about how we can improve the security of scooters at the school, we'd love to hear from you. ☺

Sporting update:

Year 4 Football Tournament

Last week, Year 4 boys went to a football competition in Havant at the Havant Academy. We played 13 games and only lost one game and drew one and won all of the others. In the end we came second. We really enjoyed the tournament and I think we did quite well. In the picture is Lewis, Ben O, Ben, Charlie, Alex, James, Taylor and me, Tom.

Report by Tom Kinally (Pear Class)

Year 6 Les Petter Football Tournament

In other footballing news Herne took three teams to the Les Petter annual football tournament on Love Lane this week and managed to get to the final. Herne missed out in the final losing 3-1 in an exciting penalty shoot-out with Dunhurst School to decide the cup. Well done on being runners-up this year and well done to the other teams that came 2nd and 3rd in their groups.

Athletics

We are awaiting the results from the 8 athletes who represented Herne at the Havant Games on Monday. We have been promoting being involved in many local and Hampshire-wide competitions this year.

The Petersfield Awards

It's no too late to vote for our very own **Mr Castle** who has been shortlisted for Teacher of the Year. If you would like to show your support and vote, please follow the link below or there are voting ballots at the tourist information centre at Petersfield Library. **The voting is live till June 30th**. Click below to go to the voting page. The ceremony takes place on 14th July.

Music Lessons

We are starting our lesson planning for September 2017 for our music lessons. If your child is currently having lessons and wishes to continue in September, can you please return the letter sent home yesterday as soon as possible. If your child is interested in starting lessons for the first time in September for brass/woodwind or violin please contact the school office to register your interest.

This Week's Recommended Reading

Ballet Shoes, by Noel Streatfeild (Recommended for all)

Adopted sisters Posy, Pauline and Petrova Fossil train as a dancer, an actor and an aeroplane pilot. A ballet treat.

Underwater Adventure, by Willard Price (Recommended for Upper School)

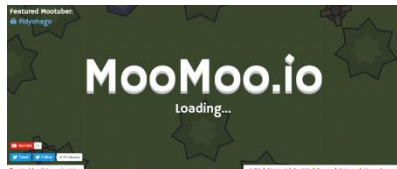

Willard Price invented zoologist brothers Hal and Roger Hunt to get children interested in nature. Underwater Adventure takes them into shark-infested seas. Some sharks are human.

Lunch Menu – Year 5

In preparation for the Year 5 children moving up to Year 6 in September, the kitchen will be offering them the additional Year 6 lunch choice from Monday 19th June. A copy of this menu is available on our website under Parents/School Meals.

New Website Concern – MooMoo.io

MooMoo.io is becoming a favourite amongst many of our pupils and we wanted to make you aware of a few concerns. The main aim of the game (which is still under development) is to collect resources and increase your 'age'. You do this by killing other members and gathering gold/wood etc. A player chooses a server to play on, which are named after locations around the world, and can use a key code to invite other members to join them. It also has an **unlimited Chat facility**. Users are not required to create a profile ensuring anonymity and there is no reporting feature for users to report abuse. We wanted to also draw your attention to the Terms and Privacy details, which are very limited in content. With this in mind, we have blocked the website in school.
