CHAMPIONS OF HAMPSHIRE!

On Wednesday, our Girls' Football team travelled to Basingstoke to play Oakley Junior School in the final of the Hampshire Cup. The game could not have been closer. Oakley went into an early lead and our girls left it till the last second of the game to snatch an equaliser. The game went into extra time and then into penalties, where we finally defeated Oakley 4-3. With 32 teams entering this Cup, this is an incredible achievement by our girls and the whole school community could not be prouder of you. A big 'thank you' to all the parents who came and showed their support at the final and to the coaching staff!

The Petersfield Awards

A big 'congratulations' to Imogen Belcher in Beech class for being shortlisted in the 'Young Achievers' categories in this year's Petersfield Awards. The ceremony takes place on 14th July, so we will all have our fingers crossed for Imogen.

This year the Petersfield Awards has a new category of 'Teacher of the Year' which is open to a public vote. It is lovely to see that our very own **Mr Castle** has been shortlisted and the wonderful **Mrs Stephenson** (from Petersfield Infants) has been shortlisted too. If you would like to show your support and vote, please follow the link below or there are voting ballots at the tourist information centre at Petersfield Library. The voting is live till June 30th. Click below to go to the voting page.

We are proud to announce the new role of **Sports Captain** within Herne Junior School. This is a new position that year 5 students have been selected for. They will be trained in year 5, by Aspire Coaching, ready to perform the role throughout year 6. Sports Captains help organise and manage sporting activities, events and equipment. This year's Sports Captains are:

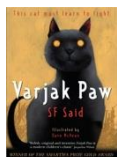

<u>Butser</u>	<u>Rother</u>	<u>Meon</u>	<u>Heath</u>
Luke Cutcher	Zach Harris	Oliver Kis	Jake Burt
Tristan Jooste	Hugh Cumming	Dan Chinnock	Reuban Duggan

Sainsbury's Vouchers

Sainsbury's supermarket has now finished issuing vouchers. Please could you send any in as soon as possible? Our target this year is to get 2 tents for overnight camping. 2017 vouchers have to be used this year as sadly we had 275 vouchers from 2014 put into the collecting box which cannot be used. Thank you.

Recommended Reading of the Week!

Following on from last week's recommended reads, this week's books are:

Varjak Paw by SF Said (Upper School Recommendation)

Varjak Paw is a Mesopotamian Blue kitten. He lives high up in an old house on a hill. He's never left home, but then his grandfather tells him about the Way - a secret martial art for cats. Now Varjak must use the Way to survive in a city full of dangerous dogs, cat gangs and, strangest of all the mysterious Vanishings.

Tom's Midnight Garden by Philippa Pearce (Lower School or Upper School Recommendation)

When Tom is sent to stay at his aunt and uncle's house for the summer, he resigns himself to endless weeks of boredom. As he lies awake in his bed he hears the grandfather clock downstairs strike . . . eleven . . . twelve . . . thirteen . . . Thirteen! Tom races down the stairs and out the back door, into a garden everyone told him wasn't there. In this enchanted thirteenth hour, the garden comes alive.

Fidget Spinners & Other Toys in School

Some parents and carers will be aware that there is a small craze of 'fidget spinners' that has arrived in schools nationwide. Whilst we do not have a strict policy on these spinners or other small toys that come into school, it is our expectation that these are not fiddled with or played with during lessons. Any item like this must not be traded or loaned between children and if they are lost, we cannot get involved to help children to find them. Anything like this is brought in as the sole responsibility of the child. We must also highlight that any electronic toys are NOT allowed in school, including two-way radios! Sorry. ☹️

Looking After Our Planet

Here is a short report from Chloe Thompson about their fundraising cake sale held yesterday and a lovely poem by Reuben Stickland about our planet. Also, as we are aiming for the Platinum Award from the Woodland Trust, why not join us as a community to join the Big Bluebell Watch!

On Thursday, we held a cake sale to raise money for WWF. We were expecting to make about £50 but we raised £107.80! I tried some tiffin and flapjack that I made; yum! We couldn't have done it without Emily, Hannah, Beth, Pippa, Sasha, Anabell, Grace, Milly, Donna and Jessica. Thank you everyone for your support!

EcoPoem

Clear this Earth from East to West
 Get this planet to look its best
 Make the melting icecaps stop
 The one below and the one on top
 Save the polar bears from their demise
 Come on people it's no surprise
 That we, humans have done the worst
 With our industrial revolutions and co2 bursts
 Together we can turn our future around
 With geothermal energy from below the ground
 And hydroelectric water with its gushing waves
 With wind turbines and their spinning blades
 We should protect this earth until the end
 And we can be earth's human friends

By Reuben Stickland- aged 11
