

Thank You and Goodbye

Our Year 6 Leavers' Assembly last night was a true testament to the amazing children we have here at Herne. They showed every part of what it is to be a child – happy, talented, sparky, cheeky (sometimes) and hard-working. This year, has been yet another successful one and we wish them all the very best for their next steps in education. Of course, none of this wouldn't have been possible without your support as parents and carers; we thank you too because you are your child's first educator.

Goodbye Colleague

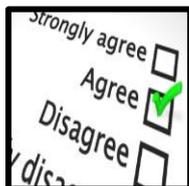

As this is our final Herne Flyer for this academic year, it is our tradition to say goodbye to several staff who are leaving us to go on to other things. From our Teaching Team, we are saying goodbye to Jordyn Ashton who will be joining West Dean Primary School in West Sussex after a successful NQT year at Herne. We also say goodbye to two of our support staff who have helped our children on a one-to-one basis, Ester Wheeler and Sarah Jones. They have both performed other roles in the school too, from Supervisory Assistant to Twilight Club and Counselling. Thank you to them all.

Two of our staff will be getting married in the summer: Mr Choularton to his fiancée Laura and Miss Hanney will marry her fiancé Alex. Miss Hanney will return in the autumn term as Mrs Thakore. Congratulations to them both!

In September 1997, Annette Bristow joined our school and has, over the last 22 years, been an incredibly loyal and skilful member of our Learning Support team. She has volunteered more hours than we could ever repay, including many occasions when she has joined our residential trips to Ironbridge and other locations. She has also undertaken the role of Supervisory Assistant in the past, but more recently, her expertise in the classroom working with some of our needy children and with classes, particularly in the upper school, will leave us with a huge gap to fill! As Annette retires today, we all wish her an amazing adventure for her future years and we know that we'll be able to rope her back into the school in the coming months and years. You have been a treasure Annette and we'll all miss you! From the Herne Team.

Parent Questionnaire - Thank You for the Feedback So Far...

Every year, we like to review how our school is performing. The Governors and Leadership Team look at feedback from our annual parent questionnaire, whilst we create our new school improvement plan every September. We have only had seven responses so far, so if you could spare a few minutes to click the link below and give us some feedback, that would be excellent. Thank you!

Tackling Exhaust Emissions in Petersfield

Since January one of our neighbours has been trying to get an awareness campaign going in order to stop cars idling when outside schools and in town at the station crossings. There was an article about this in the Petersfield Post on 3rd July quoting the fact that about 150 balloons can be filled with poisonous gasses after only one minute of idling. Our neighbour and one of our parents will talk about the dangers of the pollution caused by cars idling during the autumn term.

Other schools are campaigning on stopping cars idling. See this link:

CM SPORTS Summer Courses at Herne (24th July – 26th July and 27th - 30th August)

There are still spaces available at the CM Sports Summer courses (which are definitely going ahead over the holidays).

For more information visit their website on www.cm-sports.co.uk.

Also, children can just turn up on the day without booking.

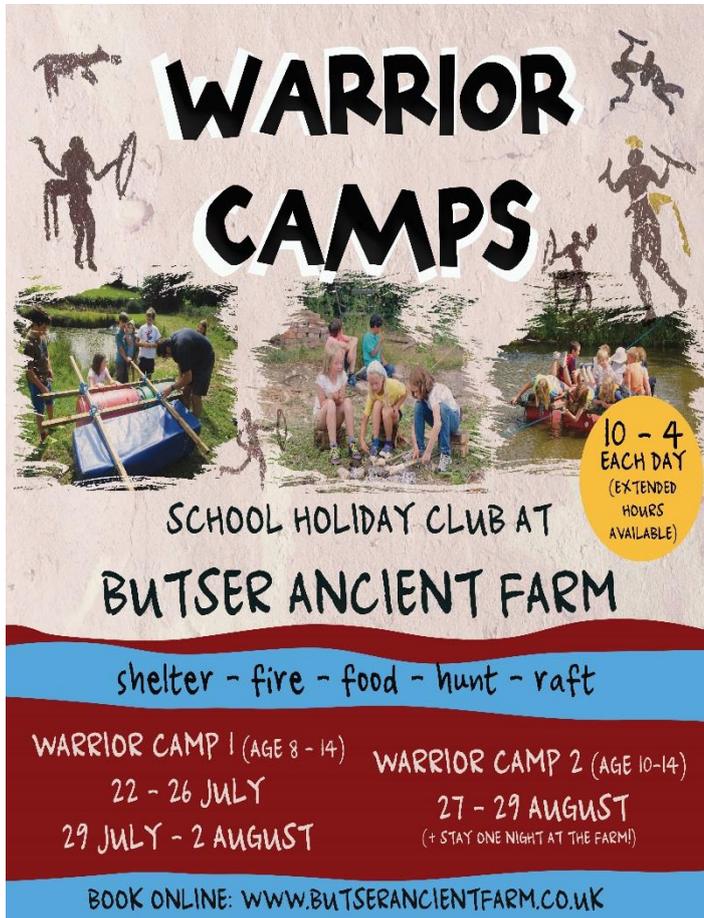

School Lunches from September

We have been informed that HC3s who run our kitchen will increase the price of the children's lunches to £2.40 from September 2019. If you think you might be eligible for Free School Meals, please get in touch with us.

Flowers at The Townhouse

Our after school Art Club (lead by Mrs Ostersen) have been busy making flowers which are now on display on the tables in The Townhouse on Petersfield High Street. They are made out of single-use plastics that were heading for the bin; bottle tops, tubes from trigger spray bottles and packaging from frozen peas, pasta, hamster bedding, crisps, biscuits...., all put together with great enthusiasm and determination. Pop in and see them! Yet another way of raising the profile of reducing plastic waste!

COMMUNITY MESSAGES

WARRIOR CAMPS

Bring your favourite toy and use it to make amazing art!

FitzRoy Vacancy

We thought this role might be ideal for a parent looking to fit in work around children as we are totally flexible around school hours, term time only (and are very understanding that kids get sick!). The role is a 12 month maternity cover for Fundraising and Marketing Assistant based at our national head office in Petersfield. More details here:

<https://www.fitzroy.org/vacancy/fundraising-and-marketing-assistant/>

Junior Running Club

Every Saturday Morning through to 14th September 2019
