

PUPIL PREMIUM PROVISION MAP

Green = Academic

Blue = Enrichment/engagement

Orange = Well Being

Pupil Support Manager

The school has a dedicated full time Pupil Support Manager who works with our most vulnerable children. She offers guidance, friendship support, social support and nurture groups, to help children to be in a position where they can focus on their learning.

Aim/Outcomes: Children will feel supported and ready to learn.

Lunch Bunch Club

To help reduce behaviour issues at lunchtime, we have a dedicated club to support the children who find this unstructured time most challenging. These sessions also involve mindfulness and yoga.

Aim/Outcome: Children will not get into a negative cycle of behaviour stemming from lunchtime behaviour issues.

Subsidised Breakfast/Afterschool Care

The school subsidises our extended school provision for our PP children. This allows them to have a good breakfast, helps support parents who are working and can also offer learning and homework support.

Aim/Outcomes: Children start school in positive and nourished manner: ready to learn.

Well Being

Supporting the Whole Child

ELSA / Professional Counselling

The school has two ELSAs who work with lots of our PP children on their emotional literacy needs. They have 1 on 1 sessions for specific needs and they also work in groups on more open issues (e.g. Friendships). The school also pays for a professional counsellor to come in to school for half a day each week to work with some of our most vulnerable children.

Aim/Outcome: Pupils feel supported by the school and are happier, therefore in the right mind set to learn.

Reaction Funds

Money is set aside to respond to additional needs. 1:1 tutoring, more teacher time on the run up to SATs...etc.

Aim/Outcomes: Pupils learning remains on track as a result of rapid and appropriate intervention.

Attendance Team

Our attendance team works with children and families to help improve punctuality and attendance issues.

Aim/Outcomes: Children will be in school ready to learn.

Lunchtime Sport Coaches

The school now pays for additional sports coaches to run interhouse competitions over lunchtimes.

Aim/Outcome: Increase confidence and self-esteem. Pupils happier at school. Reduction in behaviour issues.

Materials for Home

The school gives free learning and revision materials to our PP families so they can support their children at home.

Aim/Outcomes: Parents/Careers feel the school is supporting them to help their child/ren.
